## Experience

### TYPOF TECHNOLOGIES

Dec 2022 - Present | Bhubaneswar, Odisha

#### Software Developer Executive

Currently developing apps using the Flutter framework at TYPOF Technologies, adeptly crafting cross-platform apps with Material Design UI/UX. Proficient in Flutter framework, REST APIs, and Firebase integration. Committed to creating seamless and visually appealing user experiences while leveraging the power of modern technologies.

## Projects

### TYPOF APP

GitHub : [Typof App](#)

- Developed an all-inclusive e-commerce management application for TYPOF.
- Leveraged Flutter for the frontend, seamlessly combining intuitive user interfaces with dynamic interactions.
- Integrated Firebase for real-time data updates and user authentication.
- Utilized REST APIs to facilitate seamless communication between the app and external services.

### College Assistant App (GIFT ASSISTANT APP)

GitHub : [GIFT Assistant App](#)

- Integrated college CMS, providing features for students and teachers.
- Implemented personalized DialogFlow chatbot, timetable, and notifications.
- Utilized Flutter, Firebase, and DialogFlow.

### GST Invoice Generator

Play Store : [GST Invoice Generator](#)

- Developed app for generating feature-rich GST invoices.
- Included multiple customer profiles and one-click PDF generation.
- Managed invoice history and storage.

### SKU Generator App

Play Store : [SKU Generator](#)

- Created app for customized rule-based SKU generation.
- Designed minimalistic, materialistic UI.
- Enabled data export to CSV for efficient inventory management.

## Certifications

- NPTEL Cloud Computing Certification (IIT Kharagpur).
- NPTEL Elite Introduction to Internet of Things Certification (IIT Kharagpur).
- AI Appreciated Certificate by E&IT Department, Government of Odisha and Intel.
